TIPS FOR PRINTING & USE:

If possible, print on card stock and laminate or cover with clear contact paper for durability.

Ideas for use:

1. Cut out around cards from all or selected pages. Lay out 2 or more anemone (rounded to __) mat cards as well as a selection of clownfish number cards that contain cards that will match each anemone card and some that won't match any cards that are laid out.
2. Have players sort cards onto anemone mats by themselves or with a partner.
3. Have players take turns picking a card from the pile and laying it on top of the matching anemone mat.
4. Use the blank cards to make your own sets!
